Consignment Description

Attestation

I, the undersigned authorised officer, certify that:

1. The animal(s) has/have been examined by a licensed veterinarian (refer to attached certificate(s) issued by [Name of Clinic], dated [Date of certificate]).
2. At the time of examination, the animal(s) was/were fit to travel and no clinical signs of Rabies, screw-worms, or any other infectious or contagious diseases were found.
3. Singapore has been free from Rabies since 1953.

This certificate is valid for 7 days.
