

Nursery Accreditation Scheme

Terms and Conditions

1. Nursery Accreditation Scheme is valid for 3 year upon date of accreditation.
2. Company should accumulate at least 1 year in nursery operation on the parcel applied for accreditation.
3. Minimum size and planting area to be eligible for accreditation: (i) retail – 0.3 hectare with minimum of 40% planting area, and (ii) production, holding, wholesale – 0.4 hectare with minimum of 60% planting area. Nurseries who do not fall within the minimum size may write in, and the application will be subject to further consideration on a case-by-case basis.
4. Related companies with identical directorship or shareholder can only apply for one single entity on the subject parcel. In the event of duplicate application for the same nursery area, the first NAS shall be forfeited.
5. Only companies who own and operate the nursery is allowed to apply for accreditation. Companies acting as a managing agent for the nursery plot is prohibited to apply for accreditation.
6. Company to show documentation proof (e.g. ACRA etc.) for the change in company name (e.g. from Sole-proprietorship to Private Limited).
7. One time reassessment would be carried out 6 months from the date of accreditation for borderline cases. For companies which did not pass the accreditation, NParks will only reassess 1 year later to allow them sufficient time to meet the criteria.
8. Company are required to submit their records (i.e. Audited Financial Statements and Productivity Targets; Production Records etc.) to National Parks Board (NParks) annually throughout the accreditation period upon requests. Company may also be requested to furnish other documents to support their application.
9. The above terms and conditions is subject to change. Company is required to comply with the revised terms and conditions should there be any revision to it.
