

# Guided Tours @ Jurong Lake Gardens

---

Northern Route

# Northern Route Tour

— Tour Route

This tour covers the Northern section of Lakeside Gardens, beginning and ending at the Entrance Pavilion.

# Attractions

## **Clusia Cove**

A closed-circulated water play area for families. Learn all about how the water in this area is cleaned and cycled sustainably!

## **Eco-pond**

Features a freshwater wetland ecosystem that also serves as a filter that cleans the water from Clusia cove. Find cool biodiversity such as the white-breasted waterhen and more!

# Attractions

## **ABC Waters Jurong Lake**

Walk on the ABC Waters Jurong Lake Boardwalk and enjoy the scenic view of Jurong Lake. Try and spot cool animals such as the Malayan Water Monitor Lizard as well as the Smooth-coated Otters!

## **Lakeside Field**

Lay your eyes upon the vast Lakeside Field, one of the three fields here at Jurong Lake Garden. Learn how these fields can be used for big events like concerts, and more!
