

Guided Tours @ Jurong Lake Gardens

Southern Route

Southern Route Tour

— Tour Route

This tour covers the southern section of Lakeside Gardens, starting from ActiveSG Park and ending at the Gardenhouse.

Attractions

Neram Streams

A 1.3km naturalized waterway that was once a 300m-long concrete canal. Try to spot interesting biodiversity such as dragonflies, alligator flag plant and more!

Grasslands

A scenic 3.5-hectare area that is dominated by tall grasses such as fountain grasses and serves as an important habitat to a birds and reptiles.

Attractions

Rasau Walk

A 300m-long meandering boardwalk that brings you closer to the water's edge. A wide range of plants can be found here, from lipstick palms to narrowleaf cattails.

Alstonia Island

A small freshwater swamp island that features Gelam trees and more. Find out the importance of such swamps and how they keep the ecosystem healthy!
