

# Know 10 Trees

## in Singapore!

### Senegal Mahogany (*Khaya senegalensis*)

**Family:** Meliaceae

The **Senegal Mahogany** grows very quickly, and can grow to a height of more than nine storeys!

Its small, white flowers give way to round fruits, which split open and release many brown winged seeds that are dispersed by the wind.

#### DID YOU KNOW:

Senegal Mahogany is an evergreen tree, which means that its leaves remain green the whole year round!
