SKYRISE GREENERY TRAIL MAP

— ZONE 2 —

EMBARK ON A JOURNEY OF DISCOVERY
OF OUR SKYRISE GREENERY INSTALLATIONS

WHAT IS SKYRISE GREENERY?

Skyrise Greenery is a term coined in Singapore that refers to the greening of both horizontal (rooftop greenery) and vertical (green walls) dimensions.

These installations can be spotted all around Singapore in various forms such as sky terraces, balcony planters, green roofs, rooftop gardens and different types of green walls.

WHY IS SKYRISE GREENING NECESSARY?

In our heavily built-up city-state with limited land, skyrise greenery helps to create a harmonious balance between urban development and our natural heritage. It also helps reduce the Urban Heat Island effect, making Singapore a more liveable place.

**All projects featured here are either publicly accessible or viewable from street level.*

Suggested routes

"Viewable from street level" projects that you can view from street level

"Walk on me" projects that you can walk on and view up close

01. MARINA SOUTH PIER

A sloping lawn of greenery can be found on the topmost deck of this pier. It features a unique design whereby plants are used to form the letters "M P A", which stands for "Maritime and Port Authority of Singapore". The Marina South Pier is owned and maintained by MPA, the agency responsible for the overall development and growth of the port of Singapore. Visitors to this green roof will be treated to panoramic views of the port and the South China Sea.

Address: 31 Marina Coastal Drive, Singapore 018988

02. MARINA BARRAGE

Located on Singapore's first urban water reservoir, this extensive green roof is a favourite spot for outdoor activities, such as picnics or kite-flying. Visitors to this green roof will also be able to enjoy breathtaking views of the South China Sea and the city skyline.

Address: 8 Marina Gardens Drive, Singapore 018951

03. GARDENS BY THE BAY

Though not evident at first glance, an extensive roof deck garden exists above the Supertree Dining area of the Gardens. This roof deck garden helps blend the dining area seamlessly into the themed gardens around it. In addition, there are 18 Supertrees, ranging from 25 to 50 metres in height. Iconic vertical gardens, most of the Supertrees are located at the Supertree Grove.

Address: 18 Marina Gardens Drive, Singapore 018953

04. ESPLANADE THEATRES ON THE BAY

Located on the topmost floor of the retail mall, this lush rooftop garden can be enjoyed by the public as well as patrons of the rooftop restaurant. Visitors to this garden will be treated to panoramic views of the Marina Bay area while relaxing amid the greenery.

Address: 1 Esplanade Drive, Singapore 038981

05. SINGAPORE FLYER CARPARK

This publicly accessible rooftop garden boasts lush planting and a recreational space for visitors to the Singapore Flyer. This rooftop garden can be found at the topmost level of the multistorey carpark block and is linked to the second floor of the Singapore Flyer building by a bridge.

Address: 30 Raffles Avenue, Singapore 039803

07. SINGAPORE SPORTS HUB

Various rooftop gardens with sloping green mounts mimicking its domes can be found throughout the Sports Hub. You may wish to visit the garden on the third floor of Kallang Wave Mall, which is accessible to the public. Segments of vertical greenery can also be seen on the carpark façade, providing a continuous green cover throughout the Hub.

Address: 1 Stadium Place, Singapore 397628

06. F1 PIT BUILDING

Several strips of vertical greenery panels, spanning three storeys each, can be found along the façade facing the main road. They are best viewed from afar at the pedestrian walkway. These segments of greenery provide relief and break up the harshness of the continuous white concrete façade.

Address: 1 Republic Boulevard, Singapore 038975
