

GET "BEE-SY"

Make your very own Yellow-backed Carpenter Bee!
Did you know that the Carpenter Bee makes its nest mostly by burrowing into wood? That's how it gets its name!

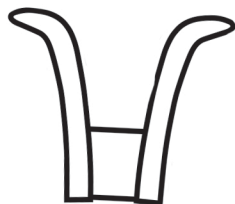

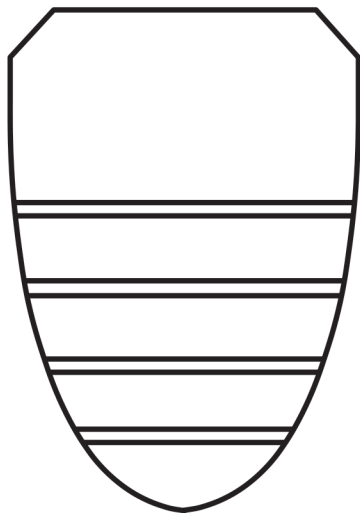

Head

Thorax

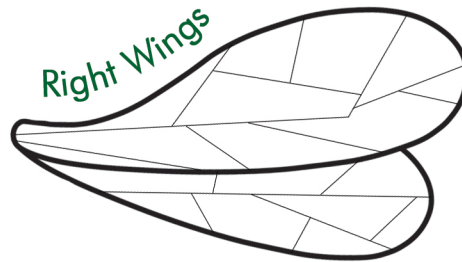

Abdomen

Antennae

Left Wings

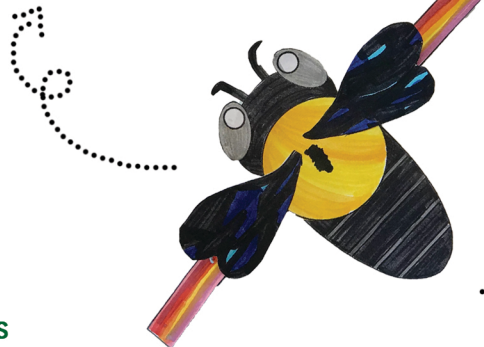

Right Wings

Eyes

Hey, I'll look like this when you're done!

Glue your artwork to this strap to create a bee bracelet!

Instructions

1. Colour the different parts of the body
2. Cut out the pieces along the lines
3. Glue them together
